

Fifth Grade ELC Trip

Parent Informational Meeting

Thursday, October 25, 2018

**Fifth Grade
Environmental Learning
Field Trip**

Fifth Grade ELC Trip

Lanesboro, Minnesota

“A child’s enthusiasm for learning is motivated to the ELC in a way that cannot be accomplished in a classroom..... Being in new surroundings and the beauty of these surroundings contribute to a new excitement for learning.”

-Gerald Wenzel

Food Waste in Schools Elimination Program

FoodWISE:

- FoodWISE stands for our **Food Waste In Schools Elimination** program. The goal of Eagle Bluff's FoodWISE program is to eliminate cafeteria food waste through sound educational and sustainable ecological practices at Eagle Bluff and in a traditional school setting.
- The program accomplishes this goal in three ways:
 - 1) Serving meals with little to no packaging on reusable dinnerware.
 - 2) Educating students about their food choices and offering incentives for waste reduction efforts.
 - 3) Composting food waste.

Golden Plate Award
